HYGIENE KITS

Immediate Help Needed! The people in the LCMS Southeastern District have been greatly affected by the recent hurricane and flooding and are in need of our assistance. As the hands and feet of Jesus, we have the opportunity to show His love by sending basic necessities their way. Below are the items listed. These have been separated by grades, however, feel free to bring in as much as you would like. Please bring items in by Oct. 18. Soon after, we'll assemble the kits and send them off to the District. Let's help make a difference and serve God's people!
